Time at Central

To every thing there is a season and a time to every purpose under the heaven:

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

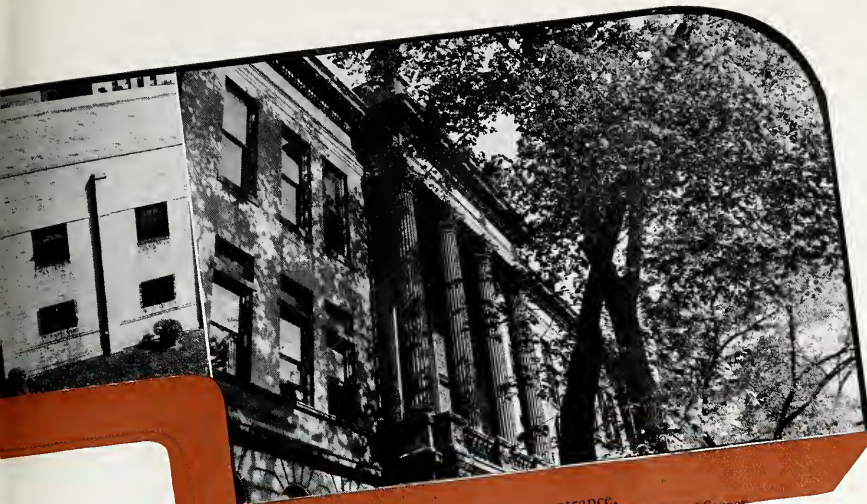

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sew; a time to keep silence, and a time to speak;

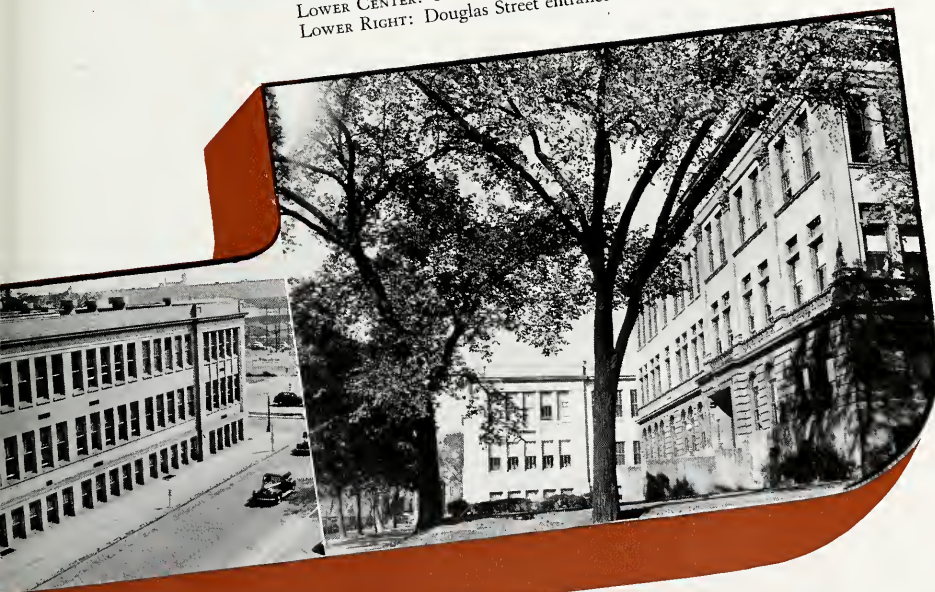

A time to love, and a time to hate; a time of war, and a time of peace.

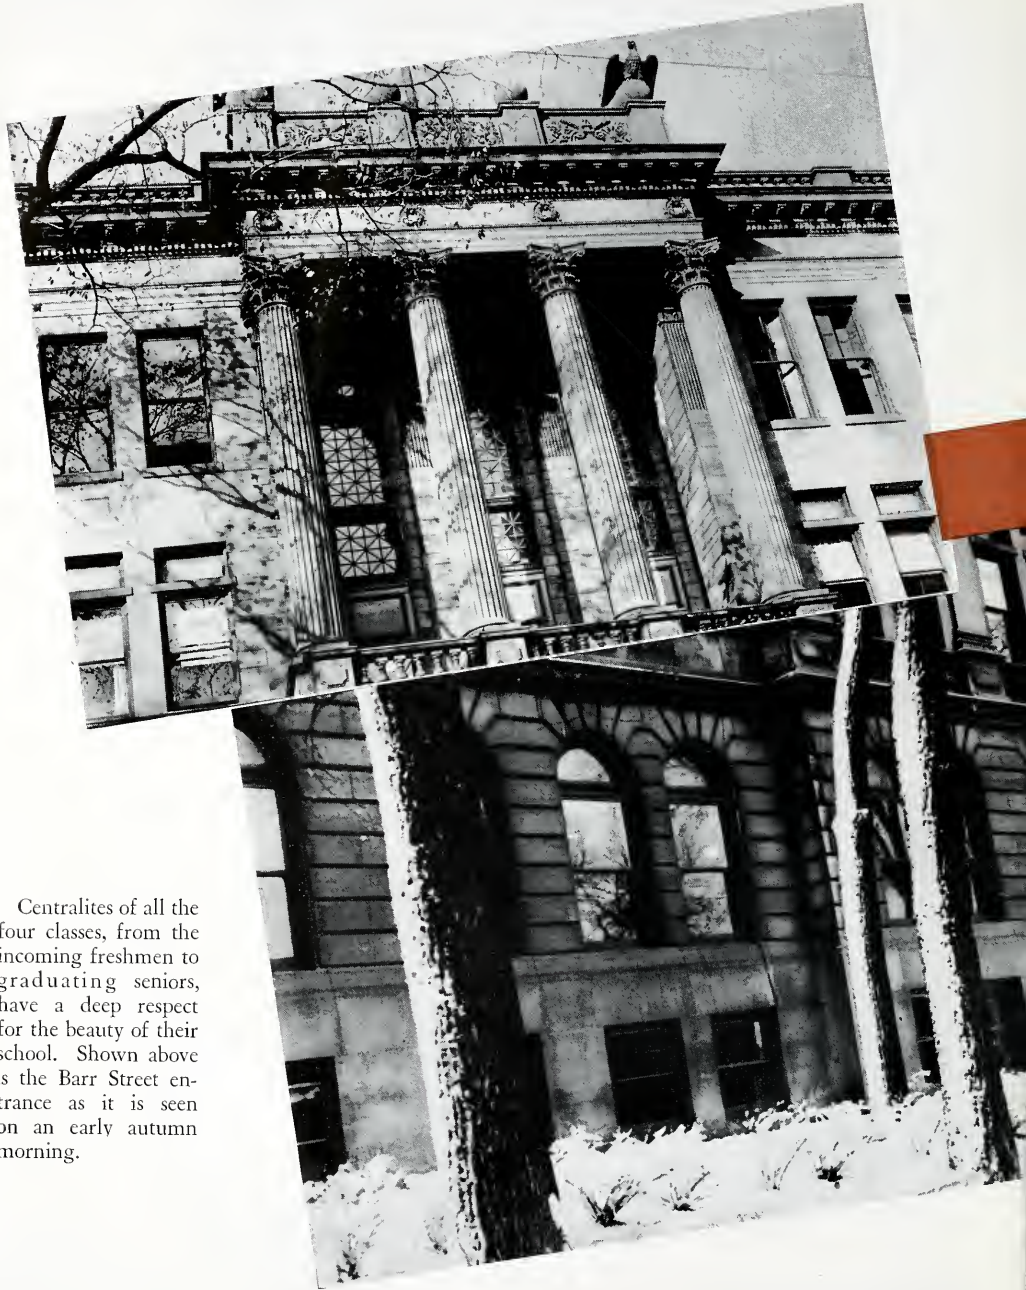

Ecclesiastes 3:1-8.

Centralites of all the four classes, from the incoming freshmen to graduating seniors, have a deep respect for the beauty of their school. Shown above is the Barr Street entrance as it is seen on an early autumn morning.

LEFT: A light blanket of snow, indicative of a typical Indiana winter, produces an especial brilliance and adds delicate surroundings to the school as it covers the trees and shrubs around the old building.

ABOVE: Spring comes once again to "Central, Dear Central" as the trees assume a new garb of green leaves and, in doing so, lighten the hearts of the student body and faculty.

School Administrators

Of Mr. Abbett our superintendent it has been said, "A heart that knows no throb except that of service." He is indeed a sower who plants good seed. Any one who wants to get acquainted with a real gentleman should learn to know Mr. Croninger, the chief who leads Central. "The Hours I've spent with thee dear heart, are like a string of pearls to me," describes Miss Lewis and her feeling for Central. Mr. Virts is a firm believer in the saying "Smile and the world smiles with you" which he exemplifies every day in all his mannerisms.

Office Workers

Delores and Arlene are two "girl Friday's" who keep in the background, but are a very important factor in the smooth running of Central. Their work varies from secretarial work for Mr. Croninger to selling stamps and bonds. Another person who isn't seen very much is Miss Brigham, who is usually found in a little room called the Guidance Office. Her job is to help students plan their high school courses and in that way she is helping them with their future career. Three of Miss Brigham's student helpers, Jackie Stauffer, Yvonne Everett, and Connie Felts are seen in the picture with her. Mrs. Winters, a familiar person known to every pupil, keeps students on a straight road as far as their tardiness and absence are concerned with the aid of her assistants.

Pins . . . Gavel . . . Trinkets . . . signify the work, enjoyment, and rewards that mean so much to everyone who takes an active part in extra-curricular activities here at school. To those persons, club work presents "A time to laugh."

Latin Club

The Latin Club, more properly called the Argonauts, is open to anyone who is taking or has taken Latin for two years. The meetings are held on the last Thursday afternoon of each month. The Christmas meeting, a gala affair, is held in the evening. The programs this year have included talks by returned soldiers, plays, and book reviews. The members sing songs in Latin and play games that have Latin words in them. For the first time the club members have decided on a special pin to signify membership to Latin Club.

The purpose of the Latin Club is to help the members become better acquainted with Latin than the limits of the classroom allow, and to show how a knowledge of Latin helps a person to understand English better.

The club was organized in 1933 by Miss Mary Harrah then head of the Latin department. She retired in 1940. The present advisers are Miss Eva McKinnie and Miss Florence Lucasse.

Election of new officers for the spring semester was held in January.

French Club

Mardi Gras! Mardi Gras! In Cercle Francais that is the traditional feast of "Crepes" and milk. It is held just before Lent to commemorate the first French Mardi Gras. At each Mardi Gras, guests are invited.

French Club was founded in 1938 by Miss Mildred Brigham, present adviser. The club has lived up to its traditions: Election of officers in the fall; Halloween Potluck in October; gala Christmas party and gift exchange among members; election of officers for spring term; Mardi Gras; and awards of French dictionaries to two deserving members on Recognition Day.

At each "Seance," minutes prepared by the secretary are read in French; talks are given, French games are played, and "La Marseillais" concludes each meeting."

Students receive French Club Pins by attending five meetings a semester for one semester. To be eligible a pupil must have a year of French or a B plus average at the end of the 9B term.

As the members of the Nature Club go hiking along, they find that the world about them is overflowing with the beautiful things of nature. The members discover it is interesting and satisfying to learn about the wonders of nature.

Meetings are held every two weeks on Thursday. Each meeting reveals something new and different. This year there were hikes and picnic lunches at Reservoir Park and Lakeside; a Nature Club breakfast at Foster Park, and a weiner bake and singing around the camp fire at McMillen Park. There were talks by Miss Iva Spangler, adviser; Miss Rosza Tonkel, and Dr. O. S. Pettingil. Two films on pond insects and common animals of the woods were shown.

Another interesting activity of the club was some additional work on the herbarium.

Central's Nature Club is a member of the Indiana Junior Academy of Science. Each year the club awards the academy pin to members eligible under the point system.

Library Club

Combining a time to work and a time to play, the Library Service Club carries on the daily routine of book circulation for the convenience of the entire school.

Working together brings about cooperation and fellowship among the members of the organization.

Each morning at eight o'clock the library workers take their assigned places; and, during each period, student helpers assist Miss Gertrude Beierlein in the work that is required to keep the library functioning efficiently.

Two social meetings are held each semester, with games and refreshments provided.

Organized in 1936, the Library Service group is a part of the Service Club, and each year on Recognition Day awards are presented.

Each year the Library has a representative in the Booster Club. This year there were two, Ted Katras and Edna Plescher.

Student Council

The Student Council is a fine example of democracy in action at Central. Through this organization the 1600 students of Central can voice their opinions on the numerous and complex problems that arise in any prosperous high school.

During the past year the Student Council has been under the advisership of Miss Anna B. Lewis, Dean of Girls, and she has successfully guided the boys and girls of this organization through a busy year of events which include the Paper Moon Dance, A Clean Cafeteria Campaign, a new student-welcoming project, and the new system of having a representative in the Parent-Teacher-Student Council.

The Council meets every other Wednesday in the school year, during the first period; and each home room has a representative. A regular business meeting is conducted, and the business is usually concluded in one period.

In order to become a member of Student Council, a student must be nominated and elected by their fellow home room students.

Mathematics

"Math Club, Math Club, dear old Central Math Club" can be heard echoing down the halls every time the Mathematics Club meets.

This club was founded in 1913 by Mr. D. W. Werremeyer and Mr. John R. Clark, and is the oldest club at Central.

The requirements for membership are one year of algebra and one year of geometry. The club meets the third Thursday of each month.

Very interesting talks are given at each meeting. The speakers this year included Mr. Ralph O. Virts and Mr. Harry Veatch. Problems and intriguing phenomena are also discussed, and games using mathematics in some form are played.

The club was thirty-two years old this year. This occasion was celebrated at the annual Christmas Party. At this meeting a brief talk was given on the past history of the club.

The very able advisers of the club are Miss Mary E. Gardner, head of the Mathematics Department, and Miss Dorothy Ridgway.

Friendship Club

"Hi, kids! Don't be late for Friendship Club tonight." Every other Tuesday this is the cry that can be heard in the halls at Central.

Friendship Club is under the direction of Miss Amy Barnes and Miss Helen Burr.

Through club activities they develop the mental, social, and spiritual sides of our lives by having discussions, guest speakers, devotions, and by adding a social part to all the meetings.

Friendship Club has traditions such as an impressive candlelight initiation, a Faculty Tea, the Tournament Twirl, Splash Party, and the Senior Send-Off Picnic.

Friendship members strive to live up to their code: "Gracious in Manner, Impartial in Judgment, Ready for Service, Loyal to Friends, Reaching toward the Best, Earnest in Purpose, Seeing the Beautiful, Eager for Knowledge, Reverent to God, Victorious over self, Ever Dependable, Sincere at all Times."

Hi-Y Club

"To create, maintain, and extend throughout the school and community high standards of Christian character." With this purpose in mind the Hi-Y Club is ever attaining greater achievements.

This is done by combining social events with those more serious in nature. Activities of the club this year included three annual events: A hay ride, the Stag or Drag dance, and the Sweetheart Banquet. Also high lighting the club calendar were the Y.M.C.A. Older Boys Hi-Y Conference, which was held last fall in Terre Haute and was attended by sixteen Central boys, and splash party.

Every school year the club attends church twice in a body, once in each semester. The club also works closely with the Y.M.C.A. and the school on many worthy projects.

Meetings under the guidance of Mr. Ralph D. Virts, club adviser, are held on alternating Wednesdays at the Y.M.C.A. A swim usually concludes these meetings. All junior and senior boys, regardless of color and creed, are able to join the organization.

Delvers Club

STANDING: Barbara Britten, vice-president; Dorothy Blessing, secretary; and Barbara Hensch, secretary.

SITTING: Miriam Schwartz, treasurer; Lou Ann Daugherty, treasurer; and Patty Aldred, president.

Imagination plus enthusiasm equals an interesting program at each meeting of Delvers, the club which seeks to stimulate interest in the expression or appreciation of English.

Founded by Miss Ruth Brown, Delvers is the only organization at Central to limit its membership to freshman and sophomore girls. The only requirement is that members have at least a "B" average in English.

The members set no specific theme for the programs, thus the girls secure greater variety. Expressing themselves is especially popular with Delver girls. Discussions ranging from study-habits to world affairs bring forth a variety of opinion.

A traditional festive occasion is the Christmas party at which each girl is given a red candle to place in her window Christmas Eve. Delvers Club celebrated its tenth anniversary this Christmas with a huge Christmas birthday cake. Another traditional event is the Mother-Daughter tea in May when each girl invites her mother to meet the other members, their mothers, and Miss Brown.

— PATTY ALDRED

Red Cross Club

Remember "Fantasia," kids, our annual Red Cross and Art Club Christmas dance? This is only one of the many activities of the Junior Red Cross Club.

The purpose of the Red Cross Club is to aid the needy families in the school and community. At Christmas time, they packed baskets and delivered them to the homes. The club also sponsored an all-school drive for gifts for children in liberated countries. They sent favors to the shut-ins at Thanksgiving time. With the help of the Industrial Department the club sent writing boards and canes to the Veteran's hospital.

The credit for many of the past successes is due to the adviser, Miss Leona Kuhn, who left in mid-year to be married. She was replaced by Miss Helen Potterf.

The social activities of Red Cross Club include the traditional Christmas dance, a skating party, picnics, a weiner bake, and several parties.

One of the most unusual and progressive clubs at Central is the ever-popular Art Club. The club meets the third Monday of each month either in the Activities Room or Room 331.

The club is noted for its colorful dances which are becoming traditional at Central. On December 7, it united with the Red Cross Club to present "Fantasia," one of the most beautiful dances in the club's history.

Each Christmas the members decorate the halls in the old building. After decorating the halls, the members hold a potluck. Other annual events are a skating party held in November and a weiner bake in October.

Pins are awarded each spring to the three persons with the highest number of points over 100.

Miss Mildred K. Walker is the capable adviser of the club. Membership is not limited to pupils taking art. Anyone interested in art may belong to the club.

Student Players

For twenty-six years, Central's Student Players Club has been an active expanding organization of those who love the theater and the glamour of the footlights.

Any student is eligible to join S.P.C. after having had one semester of dramatic instruction with Miss Margery Suter, club adviser. To be initiated, he must participate in the production of a play in a contest between Central, North Side, and South Side.

Regular meetings are held on the first Wednesday in each month, when one or two plays produced by the students are given. By the point system, Miss Suter determines to which graduating seniors the gold "D's" shall be given. Students have many opportunities to make points in the fall One-Acts, in the Senior Play, in the Christmas Plays; points are also awarded for unnoticed but important activities such as prompting and stage-crew work. Those who wish may buy regular club pins.

Ambitious Central journalists make this organization the goal of their efforts; and, upon attaining mem-bership, they can regard themselves as outstanding in their particular journal-istic field.

The meetings are held monthly. President of the club for this year is Mary-lou Ehrman, with Eugene Bair as secretary.

Meetings are for social entertainment only and are held on Sunday afternoons at the homes of the various members.

"Is compulsory military training desirable?" This was the issue which opened the competitive season for Central debaters.

The National Forensic League took to the air by traveling to different cities to participate in the broadcasts of the Town Meeting of the Air.

NFL sends a group to Columbia City each year to attend the Indiana Student Congress. Being part of such a legislative body gives the members actual experience in law making.

To become a member of NFL, a person must have 20 points. These points are given for debating, speaking in community declamations, contests, participating in pep sessions, and other work. It is an honorary organization and is one of the few clubs in Central that is a national organization. Meetings are held once a

A boy secretary was elected to counteract this change. The required changes in the club's constitution were made. To add to its list of new things a point system was put into effect and Booster Pins were purchased. Deserving members received a tiger guard, throughout the season, to attach to their pins.

Besides the regular routine of selling things in the halls, the school cafeteria and at the games, five grand events take place each year in the Booster Club. They are the Tiger Hop, the annual banquet, the Valentine Pep Session, the Tiger Mixer, and the annual picnic, usually held at some nearby lake. This

year the two annual dances were a big success due to the respective teams winning city championship on both the hard-wood and the gridiron. Co-chairmen for the Mixer were Helen Holom and Constance Lindenberg. Barbara Harris and Shirley Hughes were co-chairmen for the Hop held in the school cafeteria. The annual banquet was under the direction of chairmen Alvera Baldwin and Carl Klemme, and Mr. Steward acted as toastmaster. Thirteen girls participated in the Valentine Pep Session held February 8. Phyllis Porter and Mary Lou Ehrman, acting as chairmen, had charge of this affair. "Together We Build" was the general theme of the Parent Teacher Association during the 1945-6 season. This theme was brought out in many programs which included talks having to do with the idea expressed in the theme.

A "Get - Acquainted Party" was the highlight of the first meeting of the PTA at Central. Highlights which made other interesting meetings were the talks concerning the welfare of the child and responsibilities of parents for their children's environment. A Victory Dance was given on November 21, in Central's cafeteria. On November 26, 27, 28, and 29, a series of teas for parents of Freshmen, Sophomore, Junior, and Senior classes sponsored by Class Sponsors of the PTA were held in the Activities Room.

Band

The Central High School Band rehearses daily for their many performances at pep sessions, basketball and football games, programs given in the auditorium, and concerts. In addition to these school activities this group, under the direction of Gaston Bailhe, performs in parades on holidays and at occasional public assemblies. The band holds regular practice daily so that it can be a credit to the school and students. Members receive points for their attendance at these performances and at the end of the year, high point seniors receive sweaters.

Music has long been a source of enjoyment to many Centralites. The A'cappella Choir, which has fifty-three members, is under the direction of Miss Verda Mae Ziegler, as are the spiritual singers. These two groups hold numerous performances both for students and for city-wide organizations. The choir meets period three every day and obtains its members from the first and second period chorus classes. After one semester of chorus, the students are eligible to join the choir.

Work Brings Results

One of the many things that Central can be proud of is its yearbook, *THE CALDRON*. This year marks the thirty-second year of publication of the annual, and last year, the eighth year of obtaining an All-American rating.

The first Caldron was not a yearbook but just a small magazine consisting mostly of advertisements, some copy, sketches, and many poems and jokes. No pictures appeared until six years later. Since then the staff, with the aid of the faculty, school officials, and the school itself, has worked to build up the annual to its present status, one of the best high school yearbooks in the entire nation.

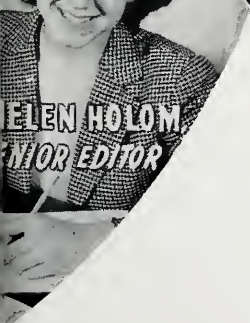

The Caldron helps support itself by such social activities as the annual publications' dance, which this year was called "Thgiltops - Nordlac," Caldron - Spotlight spelled backward; but most of the money to pay the bills of the engravers, printers, binders, and photography is obtained through pledges and subscriptions. This year 1400 books were sold. The theme of this year's campaign was "Don't be a fish out of water."

The Caldron major staff, which is composed of twelve members, makes all rules and regulations of the office under the counselship of Mrs. Dorothea Johnson, publications' faculty adviser.

The photographers print pictures and change film in their own darkroom, a new addition to the Caldron office. The darkroom is equipped with cabinets, a large sink, a table, and all necessary chemicals and printing equipment.

THE CALDRON is a familiar book in the homes of thousands of Centralites as a result of its thirty-two years of publication and distribution. It preserves the memories of the pleasant hours of their lives, furnishes hours of entertainment, and serves as a record of the past. Staff members are always proud to have had a part in the publication of the books.

We Produce Your Paper

The Spotlight is truly the "Revealing Light of the Centralite" for it brings the faculty, the students, and the parents into contact with the social and educational training Central High School offers.

Once a week a paper is published, and the finished product portrays the long hours of staff co-operation which is an essential element in the lives of future American citizens.

To balance the publication of the thirty Spotlights per school year, the major and minor staffs have their traditional parties and banquets. The new leaders of the paper are announced twice a year—in January at the Mid-Year Party, and in May at the Publications Banquet. In between these two main events, the boys and girls have staff feeds, journey to Franklin College for the Press Convention, publish an April Fool issue, give a skit for the incoming Freshmen, and go into co-partnership with another Central club to sponsor a dance.

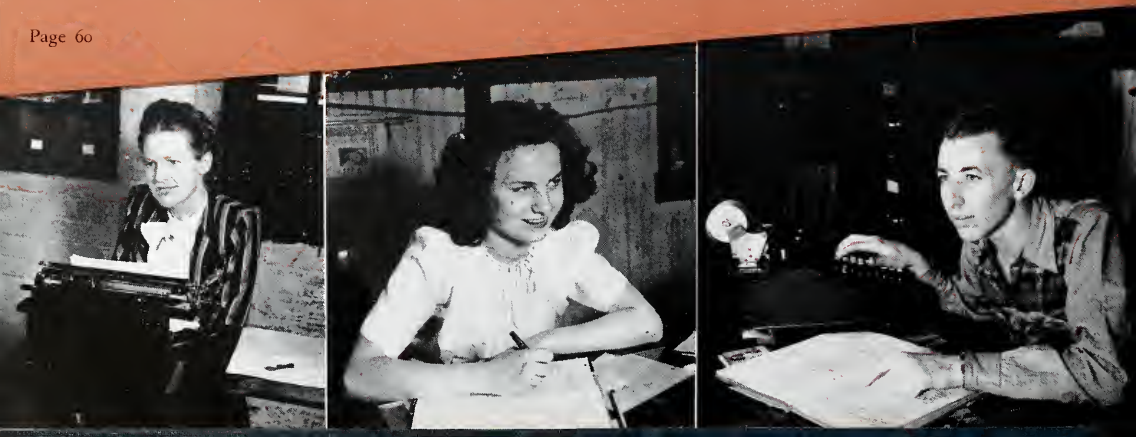

For the past two years, Mrs. Dorothea Johnson has taken the place of Mr. Cleon Fleck, who is serving in the United States Navy.

Win City Title

Coaches Mendenhall and Worthman welded together a small but rugged football aggregation, typical of Central, which punched its way to six victories, and one tie out of nine starts, and the city pigskin title.

In city competition, the roaring Tigers accounted for five wins while dropping only one contest in a close battle with North Side, 13 to 14. After racking up this fine season, the Bengals were awarded the Kiwanis Club Trophy, given to the school having the best gridiron club in Fort Wayne.

Four members of the team were awarded places on the all-city team, and one made all-state recognition. Arnold Grashof received recognition by making all-city guard. Jerry Hoepner gained a tackle spot, and Paul Blanks became an end on the city squad. Bobby Milton, triple-threat quarterback for the Blue, not only captured a position on the city team but made second string in the all-state poll.

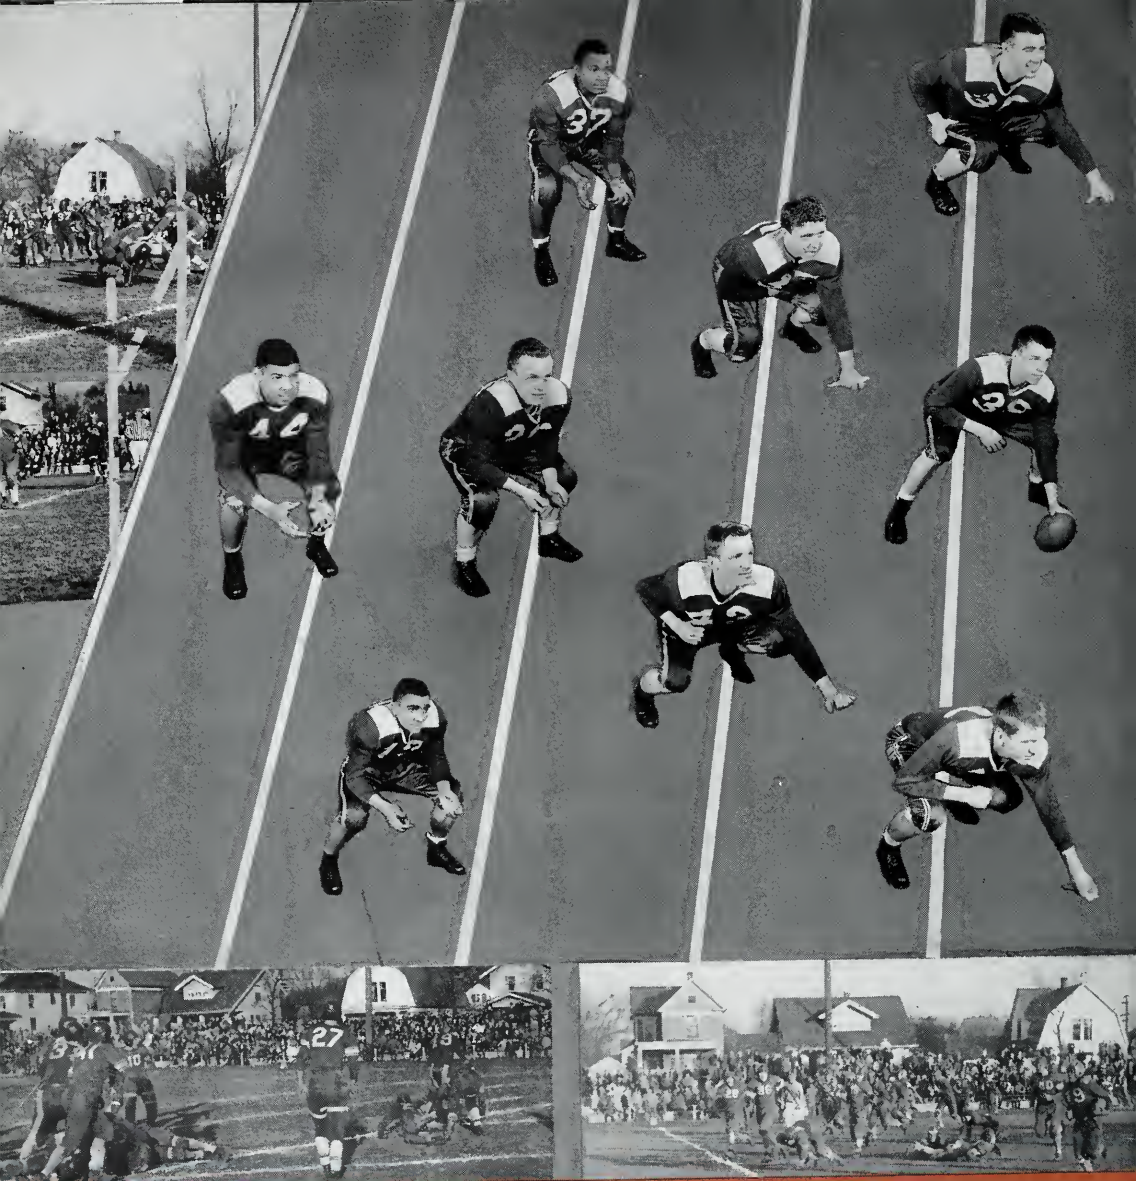

Lowell Shearer was elected by his teammates to be honorary captain for the '45 season. Shearer was varsity fullback.

Team Wins City,

Central rolled into the top ten during its 1945-46 basketball campaign after the basketball squad racked up 15 victories to a slight three defeats.

The Tigers captured five straight contests before dropping a game to Richmond, 51 to 22 in a Holiday Tourney in Muncie. Seven straight victories followed until Hammond invaded Tiger territory to upset the Murraymen, 51 to 39. Shortly after the Hammond thrashing, the Bengals faltered before the South Side Archers in the two team's second tilt, 38 to 36.

In city clashes, the Bengals came out on top six times out of seven starts to pocket the city title. North Side was a victim of the Tigers twice during the season. The Northmen

lost the first, 39 to 38, and fell again, 49 to 42, before a powerful Tiger team. Central Catholic's Irish is another squad that couldn't stop the Tigers in two tries last season. Central took the first game from the Purple, 61 to 29, and the second, 50 to 30. Concordia lost their only game with Central, 63 to 32. The Murraymen split wins with South Side when they won the first engagement, 34 to 26, and lost the second, 38 to 36.

When tournament time rolled around, the Blue was playing its best brand of ball and went all the way to the state finals only to lose to Anderson in the championship game. In the sectionals the team trimmed Monroeville, Leo, and Woodburn with ease and out-played a good South Side aggregation, 51 to 42.

In regional competition the Tigers managed to squeeze out a 35 to 20 decision over Milford in a low-scoring dual. However, they trounced

a strong Ashley quintet in the evening tilt, 66 to 51.

The Bengals again came through in the semi-finals by drubbing Gas City, 60 to 39, and edging Richmond in an overtime thriller, 49 to 43.

In the final session the team tripped Flora, 61 to 59, before losing to Anderson in the championship game, 66 to 53.

Bobby Milton tallied 301 points to set a new scoring record for Fort Wayne high schools. This record was previously held by Henry Berning, Concordia sniping ace. Bobby made an average of 16.7 points per game after scoring his points throughout the 1945-46 season.

All but three of the team are seniors and will graduate this year. Delmer Blanks, John Bright, and Ned Brenizer will be the only players to return from the first ten.

Central Girls' Athletic Association celebrated its twenty-first birthday this year. The GAA'ers look forward to a very interesting and variable year. Volleyball is always played first with speedball, basketball, tumbling, tap, and softball following in order to test the skill of the girls.

The club traditions include the Hallowe'en party, the Christmas party, the annual GAA dance, and the GAA banquet.

At the banquet the officers for the following year are announced and the trophies are awarded. These include the Hardick trophy for sportsmanship, the Merit Plaque for service, the Bixby

Peace On Earth!

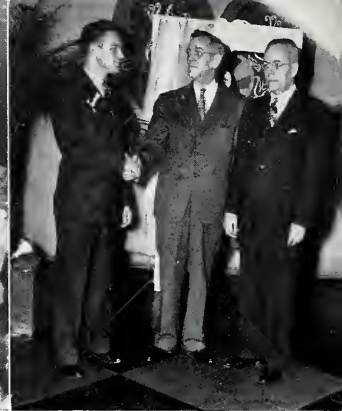

At long last hostilities have ceased! The enemy has been completely defeated and once again it is a "time of peace." For nearly four long, trying years the world has been at war, a conflict that will be tabulated in the records as the most fearfully-scientific war. During these critical times Central gave everything it had to help bring about the ultimate victory. All over the world were men who cherished our school deep in their hearts, fighting for its very existence. Of these, sixty-three made the supreme sacrifice. Our school furnished money as well as men, for every Tuesday morning each Centralite brought his dimes and dollars to invest them in war stamps and bonds. After classes students and faculty worked long hours to keep up the home front. Central successfully met the challenge.

★ ★ ★

Now that the world is returning to normalcy, our Alma Mater, too, is lessening its emergency pace. We now look forward to maintaining the tranquility that we all so desire. Servicemen are gradually returning to the graying halls, some to continue their education, others just for a visit. Students are preparing to encounter the obstacles of the future with composure of mind, soundness of judgment, and tolerance toward others. We are doing our utmost to make the world secure for us and our posterity.

Some of the class of 1949 entered Central in January and others, in September, totaling approximately 550. Honor students of the first semester were: Sue Baxter, Dorothy Blessing, Jean Christoff, Alvin Griebel, Marlene Koenig, Joan Korn, Phyllis Korn, Joseph Marlin, Donna Jean Miller, Arnold Peumlerg, Sara Prewett, Lou Ann Rutherford, Miriam Schwartz, Vern Sheldon, and Paul Wolf.

This is the first freshmen class to enter Central in peace-time for five years. This gives this class of 1949 fewer handicaps to block their progress.

Among the many extra-curricular activities this class sold the largest amount of magazine subscriptions during the magazine campaign held last fall. Other freshmen did outstanding speech work; Shirley Ann Ross, Vern Sheldon, John Carey, and Dick Pifer are those who received their "C" letters for this.

A large percentage of the girls and the boys were active in after-school sports, the music department, and other individual clubs.

Seven freshmen boys played on the 1945-1946 reserve basketball team. These boys were: Bill Butler, Neal Hoepfner, Wilson Porter, Sunny Ford, John Carey, Charles Lee Cammick, and Fred DeArmond. Student manager position of the basketball team was held by Robert Jefferies.

The presentation of the freshmen shield was held at a special called freshman class meeting. This shield, representing the qualities of service, loyalty and courage, is given annually to the freshman class representative by a senior class member. This year Carl Klemme, a prominent senior, presented this shield to Miriam Schwartz.

Sophomores . . .

Top: Officers of the class, Elmer Demo, president; Jerry Hoeppner, vice-president; and Geneva Schrock, secretary, discuss future events.

Center: Class Advisers are Miss Marian Ingham and Mr. Henry Chappell.

Bottom: Class members, boys and girls alike, enjoy locker pin-ups.

With the co-operation of the sophomore students and their home room teachers, a very successful class party was held in the cafeteria in February. Through the leadership of the two advisers, Mr. Henry Chappell and Miss Marian Ingham, the party stood as the outstanding activity of the year.

During the year many sophomores were extended the honor of becoming Booster Members. In addition, numerous pupils were initiated into S.P.C. Others showed future promise in the Speech and Publications Department.

Delvin Sims, Delmar Blanks, Ned Brenizer, Dick (Sleepy) Miller, and John Bright comprised a large percentage of the Tigers Varsity Basketball Team. Jerry Hoeppner, Ed Goshert, and Bob McClymonds portrayed great playing ability on the gridiron. Besides playing football, Jerry Hoeppner was elected vice-president of the class.

Elmer Demo, Buster Greene, Charles Imler and Gerome Helly kept up the sophomore end of the school spirit by working on the cheer-leading side. Elmer Demo is also the sophomore class president.

The sophomores have lead the Honor Roster ever since they have entered Central, having the most on the honor roll each grading period.

This class has a motto of sticking together and will carry out its meaning all through the next two years at Central. Every few weeks the sophomore homerooms gather in the auditorium and discuss class problems or else sing and have a good time.

The class of "48" has only started its goal of being top rank among the graduating classes of Central. They plan to make next years Junior Prom the best ever given. This sophomore class will not falter because it's had too big a push.

Skating parties, election, an annual informal dance, and, of course, the Prom in May are always the achievements of the Junior Class. The Class of '47 not to be outdone in any of these, excelled in all. Under the capable leadership of Miss Mildred Walker and Mr. Marvin Todd, the club entertained the student body with an informal dance on March 29, 1946. The title of this dance was "Foolish Fantasy."

The Prom was one of the most spectacular ever presented. With an art teacher for an adviser and outstanding students in the class, the Juniors showed Central what they were capable of doing.

The election was one of the closest elections in which the Juniors could have participated. With so many students to choose from, the members of the class were faced with a great task. It was finally announced that Jack Wilson was the choice of the class. Officers included: Jack Wilson, president; Robert Trega, vice-president; Betty Lash, secretary. Social council consisted of William Gibson, Bob Onion, Dorothy Shields, Bob Jeffries, Barbara Seidel, and Bob Arnold.

Another annual event presented by the Juniors was the Christmas play. Junior students, belonging to S. P. C., were David Doenges, Don Bendel, Anna Jean Gaskill, Helen Kuzeff, Dorothy Shields, Barbara Seidel, Jean Spasoff, Twilo Gearheart, Joan Hawk, and Yvonne Everett. Besides being active in S.P.C., various members of the class have been active in Boosters, Publications, Art Club, and other clubs. Several have won letter sweaters in various sports. The girls as well as boys were very active in sports. The Class of '47 is preparing for next year when they will be members of the long-awaited honor: that of being seniors in Central High School.

Honor Roll, Officers

The class of 1946 leaves Central High School this June destined never to return, but in its wake will be left the records of its four years here. Listed high among these will be the achievements of the class officers and its honor students. Both groups have done much to establish for the class a reputation that is to be admired.

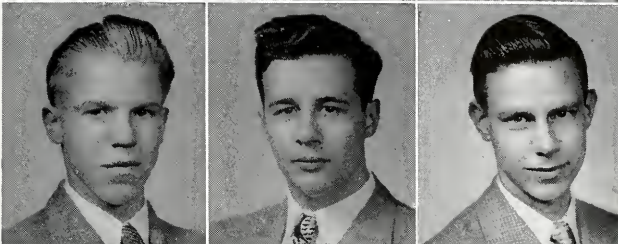

Pictured above is Carl Klemme, valedictorian of the class, who compiled a four-year average of 95.23 to pace the seniors, while pictured below is Virginia Dare, who was named salutatorian as a result of her 94.23 average. These two head a list of nineteen four-year honor roll members. In the center photo are the class officers. They are, left to right, sitting: Miss Vera E. Pence, adviser; Carl Klemme, vice-president; Ronald Meeks, president; Glenna Peters, secretary; and Mr. James McFadden, adviser. Standing: Alvera Baldwin, Marylou Ehrman, Constance Lindenberg, Lowell Shearer, Ardella Kirkby, Helen Holom, and Betty Heider. These are social council members.

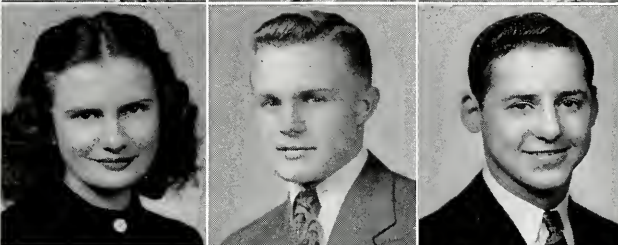

Constance Lindenberg 93.75
